Following a very generous donation of stationery products from Snopake products to assist with our Open Meets, we have a selection of items unused which we are able to sell at a reduced cost to GCSC members. These are available from the Communication desk, in Barton Pool, on Sunday evenings. Tangle bags are ideal for:- those going on camp, keeping inhalers dry, pencil cases. The A3 zipper wallets are great to keeping documents/art work clean. Hexagonal sticky notes make ideal stocking fillers
