Promoter's Conditions

Introduction

The objective of this meet is to adhere to the British Swimming philosophy of providing competition for all and to meet the mission statement "Every swimmer has the opportunity to swim in appropriate, quality competition to enable them to achieve their true potential". This meet is inclusive for disability swimmers.

This competition is held under ASA Laws and Regulations and ASA Technical Rules of Racing.

Swimming/Spectator Area

For the purpose of this meet, Team Managers will be responsible for the conduct of their swimmers. It is therefore expected that Team Managers will remain in the seating areas and/or with their swimmers at all times.

The following requirements should be brought to the attention of competitors, team staff and spectators. Swimmers seating and spectator areas are separated by dividing ropes although situated in the same block. Entry to the swimmers' area is through the changing village and onto poolside. Entry to the spectators' seating area is from the first floor.

UNDER NO CIRCUMSTANCES (except when using as an evacuation route) **SHOULD SWIMMERS OR SPECTATORS CROSS THESE DIVIDING ROPES. Additionally, neither spectators nor swimmers are allowed to sit on the access steps to these areas. This is a Health & Safety requirement of the Leisure Centre that we are obliged to enforce.**

The Promoters of this event will adhere strictly to the Health and Safety Laws 203-206. It should be noted that no-one will be permitted into the changing village, poolside or swimming/spectator seating area until the Promoters and/or Meet Referee are satisfied that these Health and Safety Rules have been met in full.

Data Protection

All data relating to the entry and results processing will be held on computer using Hy-Tek Meet Manager system software. Results of the meet will be sent to the ASA within 5 working days for the purposes of ranking.

Swimmer entries will be managed on a computer. By submitting entries, consent is thereby given, as required by the Data Protection Act 1998, to the holding of personal information on computer. Personal data will be available for inspection during the meet upon request.

Photography

Guidance on photography and sharing images or video on social media will be available at the event. All attendees, including swimmers, spectators, coaches, parents, helpers and officials are required to follow the guidelines and are requested not to obstruct swimmers, coaches or officials on poolside.

Pool

The competition pool is an 8-lane deck level 25m pool with a water depth of 2m throughout. Anti-turbulence lane ropes (including at the sides) will be used and turning flags will be placed at both ends of the pool. GL1 is a certified pool.

Please note there is no warm down pool at this meet.

Entries

All club entries are required to be submitted electronically using the Hy-Tek Team Manager software, or TM Lite software. Details of this can be downloaded from the Gloucester City Swimming Club website www.gloucestercityswimmingclub.co.uk or by contacting openmeets@gloucestercityswimmingclub.co.uk. **GCSC DO NOT accept any responsibility for HyTek files entered incorrectly and will not make any changes to times or events entered by error. Please be aware that any swimmer's details entered incomplete or incorrectly on the HyTek file will prevent their times being updated by rankings.** Please also submit a club summary form and HyTek entries report print-out.

Individual and Disability swimmer entries are the ONLY ones allowed in paper format. All paper entries must have attached a copy of ASA rankings individual times for last 12 months.

Entries will be accepted fastest swimmers first and all entered times must be on rankings. The Promoter reserves the right to reject entries if the event is oversubscribed, i.e. those closest to qualification times will be rejected first, or if payment is not received by the closing date. The closing date for entries is midday **Friday 14th September 2018**. All swimmers wishing to enter this meet must be registered as a category 2 member of Swim England (or WASA/SASA) and age will be as of **21st October 2018**.

All events will be swum in combined age groups seeded on entry times. Submitted entries must be in accordance with the attached eligibility and qualifying times. **It is the responsibility of all swimmers/parents and coaches to enter correct times as a random check will be done on the rankings database to check validity.**

No entries will be accepted after the closing date (including replacement entries on the day). Refunds will be given to Hy-Tek Meet Manager rejected entries only, and not to invalid or incorrect entries and if you withdraw after the closing date.

Prior to the meet all clubs/swimmers will receive a listing of entries. Please ensure you check this for accuracy.

For all entries please supply an email address to enable us to return your acceptance/rejections and any other information as required.

Payment

Cost per individual entry is £7.00 and £8.00 for 1500m and 800m events. Please pay by bank transfer to GCSC Open Meets Ltd, sort code 30-96-26, account 28751760 using the reference..."*swimmername Oct18*" or "*clubname Oct18*" for club entries. If you wish to pay by cheque (one per club entry) please add 65p to cover bank charges. Please write your bank reference on your entry form.

Refunds

In the event of a withdrawal of a swimmer on medical grounds the Promoter must be informed before the start of the first session of the Meet. Refunds will be processed on receipt of a doctor's medical note when received before this deadline. Refunds are processed at the Promoters discretion.

Signing In

- **All swimmers must sign in** prior to the commencement of warm up for each session.
- If a swimmer is competing all day they may sign in for the whole day.
- It is the Team Manager/Coach's responsibility to ensure that their swimmers are signed in. Clubs with more than 20 swimmers competing will sign in with their coach on pool side and it is the coach's responsibility to verify and hand to the promoter, after which no changes will be made
- A £5 fine will be levied to any club whose swimmer signs in and does not then subsequently swim without notification to the Promoter or Lead Referee by completing a withdrawal notice, before the start of each session.

Swimmers

All swimmers must report to the Competition Stewards when instructed to do so. Any competitor not reporting on time may be excluded. All swimmers must abide by the Competitor Marshalling rules advertised in the marshalling area and coach packs.

All swimmers must be able to execute a competitive racing dive as laid down in ASA law or they should start in the water. It is the swimmer's or their representative's responsibility to inform a meet official of any reason why they cannot conform to ASA technical rules; this should be done before the event in which they are taking part commences. No swimmer should topple into the water in the event of a false or faulty start; a proper shallow dive must be performed.

Timing

Hy-Tek/Omega electronic placing and timing will be used. Speakers are situated in the blocks on all lanes (Rule FR 4.3.3). It should be noted that timing pads are only situated at the finishing end of the pool. The operation of the electronic timing will be in accordance with Rule SW 13. Please note that the scoreboard is only an indication of placing/times and the final results will be at the referee's discretion

Medals

Medals will be given to the top 3 swimmers in the age groups 9, 10, 11, 12, 13, 14, 15 and 16+.

Medals will be given to the top 3 disabled swimmers for each event based on British Disability Points.

General

Where events are not covered by the above Conditions they will either be referred to the Meet Referee for a decision on technical issues or to the Promoter. The outcome of any decision will be based on ASA Law or Technical Rules or in the spirit of fairness and equity and will be announced accordingly.

All clubs are asked to assist in the provision of qualified officials for each session of this meet. GCSC will make every effort to meet the requirements of a Level 2 meet but bears no liability if this is unachievable and the meet is downgraded.

Coach/Team Manager passes for the whole or part of the meet will be £20.00 per person, to include a programme, collected on the day at the inquiry desk. All results will be posted on the GCSC website or sent by email after the competition. Passes are restricted to a maximum of 4 per Club. It is the responsibility of the attending clubs to ensure that all Coaches/Chaperones have an up to date DBS check and **wear their passes at all times** when on poolside. Every person on poolside at any time must be a registered member of Swim England, Swim Wales (WASA) or Scottish Swimming (SASA).

Lockers are available in the changing village (old-style £1 coin operated-refundable) as no valuables should be left unattended. The Promoter cannot accept liability for any loss or damage that may occur.

*The Promoter will operate over the top starts in the interest of saving time.

*The Referee may make alterations on the day to facilitate smooth running of the meet, any such changes will be announced at the meet.

*The Promoter reserves the right to refuse admission or exclude any spectator, swimmer or coach from the meet who displays inappropriate language or behavior.

* Any person or club who abuses a member of the open meet team either verbally or via email will cause their club to be rejected from any future GCSC open meets.

*GCSC **do not accept** any responsibility for HyTek files that are entered incorrectly and will not make any changes to times or events entered for swimmers.

*GCSC **are not** responsible for any swimmers from other clubs. All clubs are expected to follow the Swim England Wavepower guidelines on coaches/chaperones to swimmers ratio.

*Any situation not covered by the above Rules & Conditions will be handled at the discretion of the Promoter.
