Summer Level 3 Open Meet

1st & 2nd July 2023

Promoter's Conditions

Introduction

The objective of this meet is to adhere to the British Swimming philosophy of providing competition for all and to meet the mission statement "Every swimmer has the opportunity to swim in appropriate, quality competition to enable them to achieve their true potential". This is an inclusive meet for disability swimmers (See MD entry form for available events). This competition is held under Under Swim England Laws and Regulations and Swim England Technical Rules of Racing.

Swimming/Spectator Area

For the purpose of this meet, Team Managers will be responsible for the conduct of their swimmers. It is therefore expected that Team Managers will remain in the seating areas and/or with their swimmers at all times.

The following requirements should be brought to the attention of competitors, team staff and spectators. Swimmers seating and spectator areas are separated by dividing ropes although situated in the same block. Entry to the swimmers' area is through the changing village and onto poolside. Entry to the spectators' seating area is from the first floor.

UNDER NO CIRCUMSTANCES (except when using as an evacuation route) **SHOULD SWIMMERS OR SPECTATORS CROSS THESE DIVIDING ROPES. Additionally, neither spectators nor swimmers are allowed to sit on the access steps to these areas. This is a Health & Safety requirement of the Leisure Centre that we are obliged to enforce.**

The Promoters of this event will adhere strictly to the Health and Safety Laws 203-206. It should be noted that no-one will be permitted into the changing village, poolside or swimming/spectator seating area until the Promoters and/or Meet Referee are satisfied that these Health and Safety Rules have been met in full.

Data Protection

All data relating to the entry and results processing will be held on computer using Hy-Tek Meet Manager system software. Results of the meet will be sent to British Swimming within 5 working days for the purposes of ranking.

Swimmer entries will be managed on a computer. By submitting entries, consent is thereby given, as required by the Data Protection Act 2018, to the holding of personal information on computer. Personal data will be available for inspection during the meet upon request and will be stored and destroyed in accordance with Swim England guidelines.

Photography

Guidance on photography and sharing images or video on social media will be available at the event. All attendees, including swimmers, spectators, coaches, parents, helpers and officials are required to follow the Swim England guidelines and are requested not to obstruct swimmers, coaches or officials on poolside.

Pool

The competition pool is an 8-lane deck level 25m pool with a water depth of 2m throughout. Anti-turbulence lane ropes (including at the sides) will be used and turning flags will be placed at both ends of the pool. GL1 is a certified pool. Please note there is no warm down pool at this meet.

Entries

All club entries are required to be submitted electronically using the Hy-Tek Team Manager software, or TM Lite software. Details of this can be downloaded from the Gloucester City Swimming Club website www.gloucestercityswimmingclub.co.uk or by contacting openmeets@gloucestercityswimmingclub.co.uk. **GCSC DO NOT accept any responsibility for HyTek files entered incorrectly and will not make any changes to times or events entered by error. Please be aware that any swimmer's details entered incomplete or incorrectly on the HyTek file will prevent their times being updated by rankings.** Please also submit a club summary form and HyTek entries report print-out.

Individual swimmer entries are the ONLY ones allowed in paper format by post or e-mailed directly to openmeets@gloucestercityswimmingclub.co.uk.

Any para swimmers taking part are to be highlighted on the club summary form with classification and SE number.

The Promoter reserves the right to reject entries if the event is oversubscribed. Entries will be accepted on a "first come, first served" basis. The closing date for entries is **midday Thursday 1st June 2023**. All swimmers wishing to enter this meet must be registered as a category 2 member of the SE/SW/SS or their governing body and age will be as of **2nd July 2023**. Entry times do not need to show on the rankings database (NT's acceptable).

All events will be swum in combined age groups seeded on entry times. Submitted entries must be in accordance with the attached eligibility and qualifying times. **It is the responsibility of all swimmers/parents and coaches to enter correct times as a random check will be done on the rankings database to check validity.**

Refunds will be given to Hy-Tek Meet Manager rejected entries only, and not to invalid or incorrect entries or if you withdraw after the closing date. See "Refunds" for further information.

Prior to the meet all clubs/swimmers will receive a listing of entries. Please ensure you check this for accuracy.

For all entries please supply an email address to enable us to return your acceptance/rejections and any other information as required.

There may also be the opportunity for deck entries on the day of competition. Please see the promoter in the control room prior to warm-up to check availability.
