Promoter's Conditions

Introduction

The objective of this meet is to adhere to the British Swimming philosophy of providing competition for all and to meet the mission statement "Every swimmer has the opportunity to swim in appropriate, quality competition to enable them to achieve their true potential". This is an inclusive meet for disability swimmers (See MD entry form for available events). This competition is held under Under Swim England Laws and Regulations and Swim England Technical Rules of Racing.

Swimming/Spectator Area

For the purpose of this meet, Team Managers will be responsible for the conduct of their swimmers. It is therefore expected that Team Managers will remain in the seating areas and/or with their swimmers at all times.

The following requirements should be brought to the attention of competitors, team staff and spectators. Swimmers seating and spectator areas are separated by dividing ropes although situated in the same block. Entry to the swimmers' area is through the changing village and onto poolside. Entry to the spectators' seating area is from the first floor.

UNDER NO CIRCUMSTANCES (except when using as an evacuation route) SHOULD SWIMMERS OR SPECTATORS CROSS THESE DIVIDING ROPES. Additionally, neither spectators nor swimmers are allowed to sit on the access steps to these areas. This is a Health & Safety requirement of the Leisure Centre that we are obliged to enforce.

The Promoters of this event will adhere strictly to the Health and Safety Laws 203-206 in the Swim England Handbook, please see link for more information: [Swim England Handbook | Your full guide to Swim England rules \(swimming.org\)](#). It should be noted that no-one will be permitted into the changing village, poolside or swimming/spectator seating area until the Promoters and/or Meet Referee are satisfied that these Health and Safety Rules have been met in full.

Data Protection

All data relating to the entry and results processing will be held on computer using Hy-Tek Meet Manager system software. Results of the meet will be sent to British Swimming within 5 working days for the purposes of ranking.

Swimmer entries will be managed on a computer. By submitting entries, consent is thereby given, as required by the Data Protection Act 2018, to the holding of personal information on computer. Personal data will be available for inspection during the meet upon request and will be stored and destroyed in accordance with Swim England guidelines.

Photography

Guidance on photography and sharing images or video on social media will be available at the event. All attendees, including swimmers, spectators, coaches, parents, helpers and officials are required to follow the

Swim England guidelines and are requested not to obstruct swimmers, coaches or officials on poolside.

Live Stream

The club maybe live streaming these events and will follow the full Swim England Guidance on Photography which can be found in Wavepower the Child Safeguarding Policy and Procedures as detailed here; [Wavepower 2020-23 | Child safeguarding for Swim England clubs \(swimming.org\)](#). If you have a swimmer who does **not** wish to be filmed for the live streaming, please contact the meet promoter. If a swimmer does not want to be filmed then the stream will be cut for their heat.

Pool

The competition pool is an 8-lane deck level 25m pool with a water depth of 2m throughout. Anti-turbulence lane ropes (including at the sides) will be used and turning flags will be placed at both ends of the pool. GL1 is a certified pool. Please note there is no warm down pool at this meet.

Details of this can be downloaded from the Gloucester City Swimming Club website www.gloucestercityswimmingclub.co.uk or by contacting openmeets@gloucestercityswimmingclub.co.uk . **GCSC DO NOT accept any responsibility for HyTek files entered incorrectly and will not make any changes to times or events entered by error. Para-Swim/Disability competitors must have an authorised disability Classification, or Certificate of Disability/Exception which must be declared on the entry form and be presented to the Referee at the start of the relevant session before racing commences. Failure to do so may result in disqualification.

The Promoter reserves the right to reject entries if the event is oversubscribed. Entries will be accepted on a "first come, first served" basis. The closing date for entries is **Friday 21st February 2025 at 12 midnight**. The meet may close to entries at an earlier date if capacity is reached. All swimmers wishing to enter this meet must be registered as a category 2 member of the SE/SW/SS or their governing body and age will be as of **23rd March 2024**.
